Mr. Joe Miles,  
526 North Second St.,  
Richmond, Va.

Dear Mr. Miles:

I am sorry to have been so long in answering your letter, but we have just gotten that week straightened out. The Eagles and the Cubans are coming South to play each other. I originally wrote you for the 7th and 8th in Richmond. We have decided instead of these dates, we would like to have Sunday, the 9th to play a doubleheader. Please wire me right away if that date is available. I think probably the town might be ready for a Sunday doubleheader, and if you work on it hard enough, it should be a worthwhile game.

We will not play in Richmond any nights on this trip, but we will be returning there again the week of August 30th, maybe for a night in front of this date. I will let you know in a few days.

Sunday, August 9th a doubleheader between the Newark Eagles and N. Y. Cuban Stars is definitely set. I will order the cards shipped directly to you.

Very truly yours,

EM:CCJ

I am sure you do not want to carry any wrong information. I thought you would like to straighten this age question out on Day in your column, in case any discussion should take place.

Hope I will be able to see you soon and have a talk about the baseball.

Very truly yours,
